a.  Organization chart of the Central Intelligence Agency: This should be revised to include in the DD/I box "Photographic Intelligence Center" to be listed following the Office of Central Reference.

b. / Figure 1, Organization chart of the Office of the Deputy Director (Intelligence): This should be revised to include a box labeled "Photographic Intelligence Center".

c.  para. 1, entitled Deputy Director (Intelligence): This should be revised by deleting the word and which immediately precedes the words Basic Intelligence in the first sentence of para. 1 and by adding the words "and the Photographic Intelligence Center" at the end of the first sentence.

d.  para. 6 i. -(Office of Research and Reports): Delete from the first sentence the words for photo-intelligence.

e.  Figure 3 - Organization chart of the Office of Research and Reports: Delete box entitled Photo Intelligence Division under the Geographic Research Area.
